NOTIFICATION OF REASONS FOR REJECTION

Patent Application No.: 2001-280822

Examiner's Notice Date: March 12, 2004

Examiner: Akira Saito

This application is rejected on the grounds stated below. Any opinion about the rejection must be filed within 60 DAYS of the mailing date hereof.

REASON

The invention is unpatentable under section 29^{bis} of the Patent Law on the grounds that the invention is considered the same as the invention described in the specification and the drawing(s) originally attached to the request of the following application, which was filed before, and disclosed after, the filing date of this application and that the inventor of the present application is not considered to be the inventor of the cited application, and at the time of the filing of this application, the applicant is not considered to be the applicant of the cited application.

REMARKS

Re: Claims 1-5

Reference 1 is applicable.

Paragraph [0098] and FIG. 22 of the KOKAI publication of the application of reference 1 describe recording, within a play list, a representative image information representing the play list using 1 byte in the format intended for real-time recording of audio data. Judging from the capacity, it is obvious to a person with ordinary skill in the art that it is a pointer. Hence, it is considered that reference 1 discloses the same inventions as those recited in claims 1-5.

Note that paragraphs [0127] to [0132] of the specification and FIG. 11 of

Japanese Patent Application No. 11-154995, which constitutes a basis for internal priority claim of the application of reference 1, too describe the contents of the claims of the present application although the expression differs from that used in the KOKAI publication of reference 1. Therefore, it is judged that the priority claim of reference 1 is valid for the part to which the features recited in the claims of the present application apply.

The claims not mentioned in this Official Action are not rejected. If a new reason for rejection is noticed, a further Official Action will be issued.
